

SOMANI ENGINEERING ENTERPRISE

Started in 1994, Somani Engineering Enterprise, India, manufactures specialised custom built Metal fabricated equipment and structures in Carbon Steel, Alloy Steel & Stainless Steel.

We manufacture and supply fabricated equipment, machining and assembly work customised as per drawing and specifications of customers. Our range of fabrication work includes Motor Bodies, Hoppers, Feeders, Crushers, Screens, Vessels, Piping and Structures etc. that find their usage in various industries like Mining, Earth Moving and Power Generation etc. Our die casts, sand casts and machined components feature extremely close tolerance, smooth finish and dimensional stability.

OUR CAPABILITIES

Total Area	19000 Sq. Ft.
Concrete Floor Area	Half Portion
Building Floor Area	Two Floors of 30 Ft * 1440 Ft each
Stores Area	15 Ft * 144 Ft
Details of Manpower	Skilled and Semi Skilled - 26 heads Supervisor and Inspector - 3 head

PROCUREMENT ALLIED FACILITIES

Casting (CI, Steel, SG Iron, Gunmetal, Aluminum, Copper and Brass) & Forging

PROCESSING FACILITIES AT FABRICATION SHOP

PUG Cutting, Hand Cutting & Plasma Cutting Machines, Radial Drill Machine, Magnetic Drill Machines, Core Cutter Machines, MIG Arc Welding Machines, Plate Bending Machine - Up to 28 mm Thick, Shearing Machine, Hydraulic Press - 200 Ton Capacity, Air Compressors, Power Back Up - 50 KVA Capacity and 10 Ton & 5 Ton EOT Cranes

PROCESSING FACILITIES AT MACHINE SHOP

Lathe Machines, Drilling Machines, Gear Shaper, Horizontal & Vertical Boring Machine, Milling Machine, Shaping Machine & Cylindrical Grinding Machine

POST PROCESSING ALLIED FACILITIES

Shot/Sand Blasting, Stress Relieving and Heat Treatment, Powder Coating, Galvanising, Phosphating and Plating

TESTING FACILITIES

Die Penetration Testing and Hydraulic Testing, Tie ups with NABL approved labs for Physical, Chemical, Ultrasonic & Radiography Testing

FABRICATED PRODUCTS

Hopper

Vibratory Screen

Water Tank

Flow Vessel

Pressure Vessel

Steel Structures

Conveyor Structure

Ladder, Railway & Walkway

MACHINED PRODUCTS

Motor Housing

Feeder

Shafts

Ferrous and Non Ferrous Bushes

Brackets and Flanges

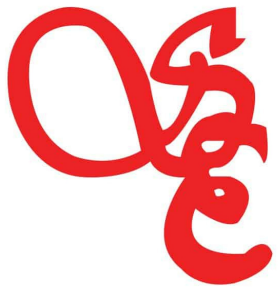

Impellers

Gears

CNC Machine Components
